

The Mariposa Award

The Mariposa Award

The purpose of the Mariposa Award is for individual students to recognize a professor who has significantly impacted him or her during his or her academic career at NMSU. This award is dedicated to those professors who, through their wisdom and patience, have allowed us to struggle and in doing so, have given us the strength to fly.

To nominate a professor for the Mariposa award, you must be a government graduate student who is enrolled at least part-time in government classes.

Students should submit one copy of an essay that clearly states how this professor has made you a better student or a better person, and why they deserve this award.

- It should be no longer than one single-spaced page.
- Your banner idea should be included in the top right-hand corner of your essay.
- Do not put your name on the essay, only on this cover sheet.
- Do not include the professor's name in the essay, only on the cover sheet.

Please submit this cover sheet and one copy of your essay in a sealed envelope to the government department office, Breland Hall 337
